BIDDING ERRORS: When you place a bid you will ALWAYS be brought to a page to confirm and review your bids before submitting. Review this bid confirmation page VERY CAREFULLY as it will display your bid amount and if you are already the high bidder. Once you are certain your bids are correct you may submit them. If you mistakenly increase your own bid, place your bidder number in the bid field, or make a gross error, you must immediately contact our office by email using the contact form on our website's contact us page. We cannot guarantee any bid will be removed when the auction has less than 24 hours remaining and we will not reverse bids that have caused another bidder to be outbid. If you bid on the wrong item we will not reverse your bid please make sure and review all bids before submitting. We will not reverse bids after the auction has begun to close, no exceptions. Please be aware that many bidders routinely increase their own bid to price an item out of reach of other bidders.

STAGGERED CLOSING: Our auction sales vary, but most close at a rate of 3 items per minute. This feature will close the bidding on intervals. This feature works great with the auto-extend feature to closely emulate a 'live' auction. Auctions with smaller amounts of lots may close at 1 item/minute or 2 items/minute. Always read the terms and details of the particular sale prior to bidding.

DYNAMIC CLOSING: The closing time of an asset is automatically extended an additional 3 minutes whenever a bid is placed within the last 3 minutes of the asset's closing time.

BID NOTIFICATION: If you have been outbid you will be notified by email until the close of the sale. To quickly review your bids and see if you have won you can utilize the 'review bids' feature. Items that they have been outbid on will be clearly marked. The review bids feature is only available while the auction is live and is disabled once the auction is closed.

WINNING BIDDER NOTIFICATION: You will be contacted by email ONLY (you are responsible for checking your email). If you feel you have won an item and have not received an email you must notify us by email no later than 8:00am the next day(before the pickup). If you do not receive a paid email invoice then you did not win any items at the online auction.

NON-DELIVERY: In the event an item is not available for pickup, the buyer must notify our onsite staff and file a claim by replying to your original emailed invoice noting what was not available within 24 hours of the pickup date. After 24 hours, the Auctioneer and buyer agrees that no adjustment or refund will be made.

CAUTION: For demonstration purposes various equipment may be joined. Do not assume a lot consists of more than one item simply because they are connected or pictured together. Please inspect the lot numbers and read the descriptions carefully, and contact the warehouse conducting the sale for any further clarification.

CATALOG DESCREPCENCIES: You are bidding on the described item not the photograph. Occasionally the wrong photo may be displayed - always read the item description. In the event that a Seller has withdrawn an item from the sale prior to the close of the auction, RCI may delete the item, update the item description, or leave the item on the catalog and "buyback" the item on behalf of the Seller to establish RCI's earned commission and buyer's premium due RCI from the Seller.

DAMAGE: Any damage caused by a buyer during the preview, or during the period of removal must be made good by the buyer causing the damage. Buyer agrees that the credit card on file will be charged for any expenses and/or repairs to the pick up location or property of another buyer.

IMPORTANT! The Auctioneer will have the option of reselling, removing, storing or abandoning, at the expense and risk of the purchaser, items not paid for and/or removed within the specific time. The buyer agrees to pay all deficiencies, legal, collection; transportation and storage expenses associated with delinquent accounts or abandoned items.

CHOOSE WISELY: We want every one to get a good deal and most will. However, when you bid on the wrong item or decide an item is not suited for your intended use, our clients are not willing to assume the cost of your mistakes. When in doubt about condition, completeness, or suitability for intended use, please bid accordingly or do not bid at all. The auctioneer reserves the right to add or remove items form the auction.
